COVID-19 MEASURES

From the 1st of July we are allowed to welcome more guests, hence these adjusted guidelines. In short this means the following:

- A maximum of two persons is allowed at one table (unless from the same household).
- Do you have any health issues? Stay at home.
- We reserve only inside, our terrace is free to enter. Have you made a reservation inside, than it won't be possible to sit outside.
- We ask you to pay contactless.
- Online reservations can be made up to 4 guests. For 5 guests or more, please contact us by phone through 0223 644099
- We ask you to keep 1,5 meter distance to other guests and staff at all times.

We count on your understanding.

OUR WORKMETHOD

- We handle the guidelines of the RIVM and the Koninklijke Horeca Nederland.
- We keep a distance of 1,5 meter where possible
- All tables and chairs will be cleaned after each use.
- Employees get a health check before every shift
- We welcome our guests at the door and show them their table

TERRACE

You can't make a reservation for our terrace. This will be opened to enter freely in case there is space.

In case the weather changes unexpectedly you have to take into consideration that there might not be space inside because of our limited amount of guests that we are allowed to receive. So keep an eye on the weather forecast.

TOILETS

Our toilets are only accessible to our restaurant guests and the terrace.

RECEPTION AND HEALTHCHECK

You will be welcomed at the entrance by our host/hostess. He or she will show you, after a short health check, to your table. If the outcome of the health check is negative, we are not allowed to permit you entrance. At reception (and after a bathroom visit) it is mandatory to disinfect your hands.

ILLNESS OR COLD SYMPTOMS?

Of course it can happen, in the days previous to your reservation, that you or one of your table guests gets illness or cold symptoms. In this case you stay at home of course.

Cancel your table! Let us also know if the amount of guests change. So we can yet use the available table or chairs. Cancel or change per telephone or 12 hours before start through mail.

FINALLY

We find it hard to welcome you in such a limited way. Unfortunately it is like this at the moment. But if we all hold on to the measures, we hope that it soon gets better
